

## How Do I Get to the Festival? Where Is the Winter Springs Town Center?

Below are two maps. One is a map to Blumberg Boulevard in the Winter Springs Town Center. (You can also use this address – 160 Tuskawilla Road, Winter Springs 32708 – for Mapquest directions from your starting location, or, if you have a GPS, simply plug the address into your GPS system.)

The other is a map of the festival layout.

If you're not familiar with Winter Springs and coming from a location (such as Avalon or Lake Nona), the easiest way to get to the Town Center is to take the 417 to SR 434 (the last exit before crossing Lake Jesup). Take a left on to 434 (you'll be going under 417) and drive until you get to the stop light Tuskawilla Road (about a mile). There is a McDonald's on the right and the Town Center begins there.

Convenient parking is available in the parking area for Winter Springs High School. Turn left from Tuskawilla Road onto the first street beyond Blumberg Boulevard.

If you're coming from Winter Park, the easiest way is to come down Fairbanks/Aloma to Tuskawilla Road and turn left onto Tuskawilla. Then keep going straight and Tuskawilla goes right to the Town Center.
